

**Wiltshire  
Community  
Foundation**

In 2020/21 we awarded 325 grants totalling almost £1.5 million to voluntary charities and voluntary groups supporting over 165,000 people. As part of our impact and evaluation work, we map the grants we give to voluntary and charitable groups against the Sustainable Development Goals.

The grants we gave contributed to 13 of the 17 SDGs with the most impact on these six: No Poverty, Zero Hunger, Good Health and Wellbeing, Quality Education, Reduced Inequalities and Sustainable Communities.
